MEMORANDUM FOR: Assistant Director for Research and Reports

ATTENTION : Chief, Geography Area

SUBJECT : Geographic/Photo Interpretation Study of Selected [REDACTED]

REFERENCE : [REDACTED]

25X1A

25X1C

As has been discussed by the Chief of the Geographic Research Area and members of SR Division, it is requested that a geographic and photo interpretation study be prepared by your office, covering certain designated areas of interest lying within the scope of a previously prepared study on the geography of [REDACTED] (CIA/RR G-2). It is our understanding that the study can be completed in four months.
